-------------------------------------	--

2. Description of use by the contracting party (use case)

3. Special agreements

<input checked="" type="checkbox"/>	The contracting party agrees that, within its application for the dealer, the AutoScout24 logo is clearly legible and, in each case, placed first in front of the competitors of AutoScout24; also, a designation of the offer and the origin of the data is provided on the front page of the application with the AutoScout24 logo and a link to the AutoScout24 home page.
<input checked="" type="checkbox"/>	The contracting party agrees to integrate – for the display of AutoScout24 vehicle advertisements in a list page view – a button "to the offer" for every advertisement and, upon a click on this, to link with the appropriate detailed page on the website of AutoScout24 GmbH.
<input checked="" type="checkbox"/>	When sending from its application any contact e-mails regarding AutoScout24 vehicle offers, the contracting party agrees to use the "SendContactMessageResponse" (contact form) via the AutoScout24 Search API.
<input checked="" type="checkbox"/>	The contracting party agrees not to conclude any contracts and cooperations with competitors of AutoScout24 GmbH within the first months as of the beginning of the contract. After expiration of these months, the contracting party is able to terminate this exclusivity at any time, after prior written notification to AutoScout24 GmbH (e-mail is sufficient).

4. Compensation:

Setup costs, non-recurrent: **EUR 149.00 plus VAT**, due and payable upon the signature of this contract.
